**Resourceful unto the World**

SEPTEMBER 2009

**Open House – Sat. Sept. 12th  
 10:00 AM to 1:00 PM**

Many have heard about us through the newspaper, television, radio or a presentation but have not yet visited our production plant (see the map below for the directions and look for the trucks with our logo on the sides). Please join us for a tour and refreshments.

**Our fleet of 3 trucks**

**Working through a ton of corn from  
 Lucerne Foods**

**Production Manager**

We are pleased to welcome Ken Martens as our Production Manager, having started this past month on a part time basis. His steady smile and commitment to the processing quality is a huge asset.

**2<sup>nd</sup> ANNUAL HARVEST BANQUET  
 Sat. Sept. 19 – Hillcrest Church**

Tickets are now available for our second annual Harvest Banquet once again being held at Hillcrest Church, Sept 19 at 6:30 PM. Contact the Prairie Gleaners office by e-mail or phone as shown at the bottom of this page for further information to purchase tickets. We hope to see you there.

**Vegetables and Volunteers**

The Gleaners is our volunteers. Without them no work would get done. There are many hands. Over 50 tons of fresh and frozen produce has been dehydrated in the past three months by our local supporters, but also with the help of others who have travelled from such places as Stettler, High River, Brooks and Bow Island. Equally important are the produce suppliers, Lucerne Foods in Lethbridge, Red Hat Co-Op in Redcliff and a few local greenhouse growers. The produce from these sources keep us all busy. And for keeping our trucks moving and maintained we thank Eric from Dynamic Heavy Haul.

**Volunteers are welcome Wednesdays  
 to Saturdays from 8:30 AM till noon.**

We are located at 851 Industrial Ave, (Hwy 41A) behind the big blue doors.

The Prairie Gleaners accepts its mandate from **Isaiah 58:10** - *If you give food to the hungry and satisfy those who are in need, then the darkness around you will turn to the brightness of noon.*
