Resourceful unto the World

Spring 2008

Equipment Acquisition

Many thanks to those who have contributed to the Prairie Gleaners in the past couple of months. Your trust in the vision of this organization is very evident. We have been enabled to begin purchasing some of the major equipment needed to begin the production of the food aid. Our commercial vegetable dicer has been ordered and is due to arrive on site around the end of May. We have also been looking at used forklifts, hoping to find a suitable, affordable one to meet our needs. Discussions are underway to obtain trays and tray racks hopefully within the next month. We have obtained a dryer furnace for our tunnel dehydrator and construction of that will begin soon. Various shapes and sizes of worktables have been arriving and others will be constructed over the next few weeks. Buckets and containers of all sizes have been donated also. We are so very thankful for those who willingly and eagerly have become involved to help bring this project together.

Memberships

Our membership continues to grow. Every month this year, through word of mouth, new people have taken out membership to the Prairie Gleaners Society. We have more than quadrupled since January of 2008. Membership allows you to vote on major decisions at our Annual General Meeting and to be nominated to hold office on our Board of Directors. If you are supportive of the mandate of the Prairie Gleaners and would like to become a member you may contact us by phone or e-mail (shown at the bottom of this page).

Promotional Material

A number of folks have been asking us about promotional information. We do have brochures, bulletin inserts, and a short (2 ½ minute) video presentation on DVD. These are available to any members or active supporters for distribution to church groups, service organizations and clubs. Board members are also more than happy to make a more formal presentation to any group that would extend an invitation. If you would like any of the promotional material or to arrange a presentation, please contact us through the phone number or e-mail address below.

Vegetable Dicer recently purchased

The Prairie Gleaners accepts its mandate from **Isaiah 58:10** - *If you give food to the hungry and satisfy those who are in need, then the darkness around you will turn to the brightness of noon.*

We are a charitable not-for-profit society
